# FADDLE FEE

## FOR FOUR VIOLAS

JULIAN GLOVER (2001-)

**AVS PUBLICATIONS 077** 

Part fiddle tune and part classical quartet, *Faddle Fee* is an adventure through a whirlpool of contrasting styles. Rife with frenzy and excessive passion, *Faddle Fee* is in unrelenting metamorphosis. The title *Faddle Fee* is a simple viola joke. If a violin is a fiddle, then a viola is a faddle.

#### **Performance Notes:**

X-Noteheads are to be chopped (fiddle technique). Chopping is mostly limited to the viola 4 part, with a little bit in viola 3. Violas 1 and 2 do not need to know how to chop. Bowings from the premiere performance are filled in, use them if you wish.
